

The New Barbering Experience

The birth of American Male signals a renewal of the great tradition of barbering. With an impressive approach to style and good grooming, American Male has become the salon today's man seeks. We provide men with personalized services in an atmosphere of comfort and care.

Our Team Commitment

The staff at American Male practices the highest form of team service. This means that the skills of the entire salon are available to you. We don't keep you on a waiting list or lock you into one technician. Meeting your service needs and busy schedule is our top priority. To ensure consistent service, quality and technical skill, each member completes our in-house skill certification program. You can always have confidence and certainty, knowing that you are in the talented hands of a skill-certified team member. You'll always have a fresh perspective... and you'll always receive the utmost in true quality salon service and attention. Unconditionally guaranteed.
